**DETAILED ACTION**

***Reissue Applications***

1. The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414) because of the following:
  - The supplemental declarations filed on September 18, 2000 (paper # 15) only provided the residence of the inventors except for the declaration signed by Atkinson, which included both residence and mailing addresses. The other three declarations never indicated whether the mailing address for each inventor is the same as the residence address. Please correct the oath to include each inventor's mailing address or provide each inventor's mailing address in the application data sheet set forth in 37 CFR 1.76.
2. Claims 1-61, 64-94, 96-129, 132-139, 142-145, 147-150, 164, 166-168 are rejected as being based upon a defective reissue oath/declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the oath/declaration is set forth in the discussion above in this Office action.
